

Name: _____ Membership ID# _____ Date: _____

A basic understanding the labor market and trends in your occupational field is the best first step in any job search. By completing the questions on the back of this worksheet, you will be closer to becoming an effective job searcher. Completing labor market research is a requirement of an RESEA review.

Instructions:

1. Please look up your occupation on one of the suggested Labor Market Research websites listed below.
2. Answer questions one to five (1 to 5) on the back of this worksheet.
3. Bring the completed worksheet to your scheduled RESEA review.
